Project Brief
Located in the heart of Sharjah along a picturesque waterfront Al Qasba offers a remarkably tranquil atmosphere, attributable in part to the one-kilometre canal that runs through the heart of Al Qasba linking the Al Khan and Khalid lagoons, and the site has been carefully planned to make the most of its waterfront location. With an art centre that regularly hosts a range of art exhibitions, cultural events and educational activities, a theatre that provides a varied programme of music, film and theatre throughout the year, a state-of-the-art meeting and conference facility, a brand new business centre, a children’s entertainment zone offering a wide range of entertainment activities specially created for children of all ages, a spectacular musical fountain, a tantalising fusion of foods and flavours in the form of simple cafés and sophisticated bistros offering the finest Arabian, European and Asian cuisine, and the 60-metre tall Etisalat-Eye of the Emirates Ferris wheel, Al Qasba is a truly unrivalled business and leisure destination in the UAE.
